Greetings from Communist Party of Cuba

Havana, 28 March 2022

Comrade Sitaram Yechury
General Secretary of the
Communist Party of India (Marxist) CPI(M)

Dear Sitaram Yechury:

On behalf of the Central Committee of the Communist Party of Cuba, kindly receive a fraternal greeting on the occasion of the celebration of the 23rd Congress of the Communist Party of India (Marxist).

CPI(M) has always been at the forefront of the revolutionary struggle of the working class, defending the banners of Socialism and proletarian internationalism.

The Cuban people never forget the endearing and militant solidarity of the CPI(M) and the Indian people in the hardest moments of the special period and their permanent accompaniment to Cuba in the fight against the genocidal economic, commercial and financial blockade of the United States, intensified by the Trump administration and which is maintained, opportunistically, by the Biden administration, even in the midst of the complex circumstances imposed by the COVID-19 pandemic.

Several generations of CPI(M) leaders have cultivated the excellent ties that unite our two parties and peoples, a fact that motivates us to transmit this special relationship to present and future generations.

At present, Yankee imperialism and its allies use new ways and methods to manipulate reality and subvert the internal order of nations, in favor of the interests of the ruling classes, with the aim of promoting their policies of regime change and domination at the global level.

In the face of these realities, unity in the diversity of the communist parties, together with the workers and social movements, is the strategy of struggle for a better world; for truth, justice, solidarity and in defense of the just and noble causes of the peoples against the hegemony of Yankee imperialism.

As reaffirmed by the 8th Congress of the PCC, we ratify to the leaders and militants of the CPI(M) that Cuba, its Communist Party and our heroic people, remain firm,

resisting and actively confronting imperialist aggressions, sure of victory; following the legacy of Commander in Chief Fidel Castro Ruz, the teachings of Army General Raúl Castro Ruz and with the continuing generation headed by Comrade Miguel Díaz - Canel Bermúdez, First Secretary of the Central Committee of the PCC and President of the Republic; and dedicated to building an independent, sovereign, democratic, socialist, prosperous and sustainable nation.

We reiterate the will to continue to strengthen bilateral relations, political dialogue and cooperation between our parties. We wish you all every success in the debates and deliberations of the Congress.

Long live the friendship and solidarity between the PCC and the CPI(M)!

Central Committee of the Communist Party of Cuba

Message of congratulations

Dear comrades,

On the occasion of the XXIII Congress of the Communist Party of India (Marxist), on behalf of the communists and the people of Vietnam, we would like to extend the warmest congratulations to the congress and all members of the Communist Party of India (Marxist).

We are delighted to note that in the past years, despite numerous difficulties and challenges, the communist party of India (Marxist)-CPI(M) has always been consistent in Marxism-Leninism, pioneered in the struggle for the rights and interests of the Indian workers, peasants and toiling mass, and championed the solidarity of the Left, democratic and progressive forces in India.

Particularly, we would like to convey the heartiest congratulations on the resounding victory of the Left Democratic Front headed by CPI(M) in Kerala state assembly election later last year. Your party's re-election vividly reflected the overwhelming support and strong confidence of the voters to CPI-M's progressive and pro-people development agenda, which has placed Kerala among the top states in India with highest GSDP growth and human development.
